

Canadian Vascular Access Association
Association Canadienne d'Accès Vasculaire

VASCULAR ACCESS 2026 ADVERTISING RATES

The *Vascular Access* journal is directed to professional clinicians who are dedicated to enhancing the practice of vascular access and infusion therapy. It is published three times each year, in both print and electronic formats.

Content

Vascular Access features original, peer-reviewed articles on current vascular access and infusion therapy issues related to practice, education, research and leadership that will assist in growing and developing the specialty.

Readership

Printed copies of *Vascular Access* are distributed to CVAA members and institutional subscribers (university and hospital libraries, etc.) throughout Canada and internationally. The journal is available online in an open access format [here](#). CVAA members are involved in every aspect of vascular access and infusion therapy from clinical care and education to research and administration.

The publication's target audience includes nurses, physicians, pharmacists, radiology technologists/technicians and respiratory therapists who provide vascular access and infusion therapy, as well as administrators and clinical leaders who are responsible for education.

Advertising

Vascular Access provides a direct link to the community of specialists who practise vascular access and infusion therapy across Canada and beyond. The journal is an important marketing tool for corporate branding, new product introduction and ongoing promotion, services and more.

Ads in *Vascular Access* have added value, with the electronic version linked to advertisers' websites.
